

Features

-) **Made in the USA in variety of configurations including the Standard, Flange and CSA approved Shielded and Integral models**
-) **Direct Replacements for popular industry models - made to OEM Specifications**

All coils are manufactured to the identical specifications as the OEM versions. All coils are completely tested -to insure high reliability and a long life cycle. Kraft Power maintains an extensive stock of all versions of the CD (Capacitor Discharge) coils and are compatible with most CD ignition systems on the market today.

Selection Guide

Kraft Power Part #	Description	Replaces ALT:
KIG001	Coil, Black	291 001
KIG001-S	Coil, Shielded Silver 3-pin CSA	291 001 S
KIG007	Coil, Integral 5.6 inches long	591 007
KIG008	Coil, Integral	
KIG010	Coil, Red	591 010
KIG010-S	Coil, Shielded Red	591 010S
KIG011A	Coil Integral 6.1 " length	591 011A
KIG011B	Coil, Integral Long 10.8" legnth	
KIG011C	Coil, Integral X-Long	
KIG012	Coil, Red Flange	
KIG018	Coil, Blue Flange	591 018
KIG061	Coil, Blue	501 061
KIG061-S	Coil, Shielded Blue	501 061S
